- Circles
- Gymnasium rather than cafeteria?
- Gym → stage, NO cafeteria
- Want to know what happens to the material from old school. Wondering if they will be willing to donate it to the community for projects they may be able to use – Thomas Herch 719-849-8600
- Student laundromat

Sierra Grande Open House

August 13, 2019

Common ground:

- Prevailing winds onsite from southwest
- Don't like Cafeteria, prefer Gymnasium
- Main entry either facing south or east
- Confusion over specific CTE programs
- Concerns about wind and dust
- Problems with game night parking on housing yard areas
- Don't like master plan "finger" bldg layout
- Idea for superintendent's office to be separate and remote from admin to enable focus

Outlying ideas:

- Separation of middle school and high school students
- Laundry machines available to students for use
- Life skills teaching area
