

HIGHEST HOPES

- The very best school in Colorado!
- Safe, comfortable (climate wise) school
- All of us are disappointed when we are done
- Matches the values of community and needs of students
- Provide equitable opportunities compared to neighbor districts

- Well built / safe + comfortable
- High quality
- Best possible learning environments
- Place kids want to be and enjoy!!!
- Baseball field that matches the rest of the facility
- Adaptable over time, modern + flexible / welcoming – reflects on culture
- Kids are proud of it!
- 21st C. skills

- Long lasting, efficient, well built
- School that we can be proud for ourselves & community
- All the hopes of students, parents & community are met
- Be proud of the school
- Not cut too many corners → do it right the 1st time
- Opportunities for new things, comfortable school to be proud of
- Establish more modern & friendly learning environment → not like a prison
- Functional building
- Inviting, excellent learning environment, BEST arts department

- Kids want to come to school, parents want to be here
- Other kids from other districts want to come here
- Best school for kids, parents, community

VIDEO REFLECTIONS

- Adaptability to individuals' learning
think outside of rigid spaces
- Place kids want to be
- Not just going to “school”
Going to a PLACE
- Containment ~ Positive
w/grounds, yet adaptable + flexible
Felt safe

- Breakdown barrier of prison-feel, can go outside
- Appreciate integration of outdoor spaces ~ a place you wanted to be
- Mentor instead of teacher environment
Self-Directed learning, activity
- Kids interactions in groups, engaged
Not distracted

- Individual kid's needs for learning
- Not a rigid building, think outside the box

- Curiosity
 - Every journey is different
 - Kids are going to a place, not school
 - To adapt to natural environment, outdoor learning
 - Interact w/environment
 - Meaningful connections to the world that empower kids
 - Innovative, re-imagined learning environment
 - Doesn't feel like a classroom, kids feel like they can do things, be active
-

OUTLIERS

- Library with views of mountain
 - 2 groups w/gym together | 2 groups w/ separate gyms (elementary & secondary)
