Response Innovation Student Equity

## SLV Collaborative:

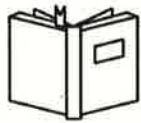

BOYS & GIRLS CLUBS  
 OF THE SAN LUIS VALLEY

CREATING STUDENTS OF OPPORTUNITY. SHARING IDEAS OF PROGRESS.

**The RISE (Response, Innovation, and Student Equity) Collaborative is a group of six business partners and seven SLV schools coming together to overcome the economic and academic barriers in our rural valley and help all students become career ready.**

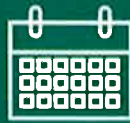

## **RISE Opportunities**

**Entrepreneurship and Innovation Competencies and Project Based Learning embedded into Career and Technical Education courses.**

School districts can receive support for building and/or strengthening Career and Technical Education and project based learning

### **Concurrent enrollment courses at ASU**

Students can enroll free in Adams State University  
Business 103: Intro to Business and  
BUS 179: Intro to Entrepreneurship  
with more classes to come, including college credit for completing an internship

### **Work-based Learning opportunities:**

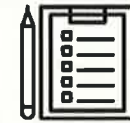

#### **CAREER X**

CareerX workshops will:

- Improve knowledge of career pathways
- Increase academic motivation
- Develop professionalism
- Integrate innovation and entrepreneurship
- Develop essential skills

#### **TECH WORKSHOPS**

Tech workshops will be scheduled with each school to give every student an opportunity to learn new skills.

### **INTERNSHIPS**

- Gain hands-on experience
- Establish a clear connection between education & work
- Explore and research a variety of careers
- Develop an understanding of the workplace
- Establish professional contacts for future employment and mentoring
- Establish positive work habits and attitudes
- Learn technical skills that will be invaluable for future jobs
- Understand what education opportunities are available that will lead to a career in their chosen career
